While You’re Here
Independence Seaport Museum has implemented new procedures for visitors prior to and during their visit. By visiting Independence Seaport Museum the guest voluntarily assumes all risks related to potential exposure to COVID-19 in or about Independence Seaport Museum. The Museum has modified its experience to adhere to safety guidelines and protocol.

- Face masks are required at all times in the Museum and aboard Cruiser Olympia
- Frequent hand washing and sanitizing is highly encouraged, there are stations throughout
- Please practice social distancing by remaining 6 feet apart
- The consumption of food and beverage, and smoking are not permitted
- Regular, daily cleaning has been increased, specifically for those components that are high interactivity
- Certain exhibit components have been adjusted or removed based on levels of interactivity
- Photography, without flash, is encouraged inside the Museum and aboard the historic ships
- Please be considerate of others when using phones

Accessibility
The main building of Independence Seaport Museum is wheelchair and stroller accessible, including our restrooms. Our historic ships, Cruiser Olympia and Submarine Becuna, are not currently ADA accessible.

Join Today!
Members enjoy unlimited free Museum admission for one year, special discounts and advance notice of events and exhibit openings. Become a member today by visiting the front desk, joining online at phillyseaport.org or calling the Membership Office at 215-413-8617.

Please note that while the Museum and National Historic Landmark ship Cruiser Olympia are open, Submarine Becuna and Paddle Penn’s Landing remain closed for the safety of visitors and staff.
